

19 From L'Amasse to the banks of the Cher

Riding from L'Amasse to the banks of the Cher via a section of the Loire by bike, the diversity of the landscape will astound you with its forests, plains and lovely valleys. You'll pass through broad stretches of undulating fields until you reach the shades and aromas of the forest which provide refreshing tranquillity. Villages will be stop-off places for some good food, for visits to sites of local interest and for some time for family relaxation in the children's play-areas.
